MONKEY AROUND

Get your teens out of the mall and into Bedok Reservoir Park where they can release their inner Tarzan by swinging through trees five metres above ground. Forest Adventure has built an aerial course comprising ladders, bridges, swings, nets, trapezes and zip lines. The grand course, which takes over two hours to complete, is the most challenging with 32 different stages, including four zip lines over water – the longest of which is 176 metres – and a 12-metre Tarzan swing. Parents don't need to worry, as the participants are securely harnessed and carefully supervised by trained instructors at all times. It's great for birthdays, too!

Call 8100 7420, or visit www.forestadventure.com.sg.

GARDEN PARTY

Located within the Bukit Timah core of Singapore Botanic Gardens, Jacob Ballas Children's Garden is the first garden of its kind in Asia. Designed to provide a unique discovery and learning experience in a garden setting, it features plant displays, interactive exhibits, slides, a maze, and a party hall. There is also a kids' café. For enquiries, call 6471 7305.
